

Donor List for Fund-Team.com

Instructions: Please come to the sign-up meeting with the following donor list already completed. Do not use student email addresses (for example, those ending in k12.leanderisd.org). Also, the app checks for and only uses valid deliverable emails. Emails that bounce or are undeliverable will not be added to your donor list.

****** You must get permission from donors first, if you are using their phone number.
